glorious adventure*

*Chester County Futures  
15th Anniversary Celebration!*

**7 to 11:30 P.M., SAT, APRIL 14, 2012**

**Phoenixville Foundry Ballroom**

A black tie evening to  
benefit 400 disadvantaged youth

## PASSPORT to POSSIBILITIES

### **Chester County Futures is turning 15!**

Mark your calendar and join us on April 14th for our black tie celebration! A memorable evening awaits you— dining, dancing, drinks, prizes, a celebrity emcee, your own private photo shoot and a chance to meet some of Futures' students.

Proceeds benefit 400 vulnerable 11 to 17 year olds who are counting on Futures to help them take crucial steps to overcome the economic hardships that permeate their lives and threaten their futures. They come from some of the poorest areas of Chester County, often beaten down by generations of family poverty. With your help we can and will change that. Year after year, 100% of our students get the academic and mentoring help they need to graduate on time from high school. And best of all, 93% enroll in college or trade school — four times the national average for similar poor and minority students.

An education beyond high school is a powerful tool in boosting the income and economic mobility of children growing up in disadvantaged homes. With a higher education degree, they can earn a million dollars more in their lifetime than with just a high school diploma.

Countless generous donors have supported Futures' young students over the years making sure they get the education they need to escape to a better life.

### **Now they're counting on you for help.**

Please join us on the 14th and bring your friends along for a memorable night of fun for a cause.

**Our Very Warmest Regards,**

*Jeremy Allen*  
**Board Chairman**

*Catherine Mesaros*  
**Executive Director**
