

Interested in **Science, Technology, Engineering, or Math?**
Want to explore **sustainability, energy, and climate change?**

Exelon Foundation Boys to STEM Academy

Sunday, July 6th to Friday, July 11th, 2025
at Saint Joseph's University

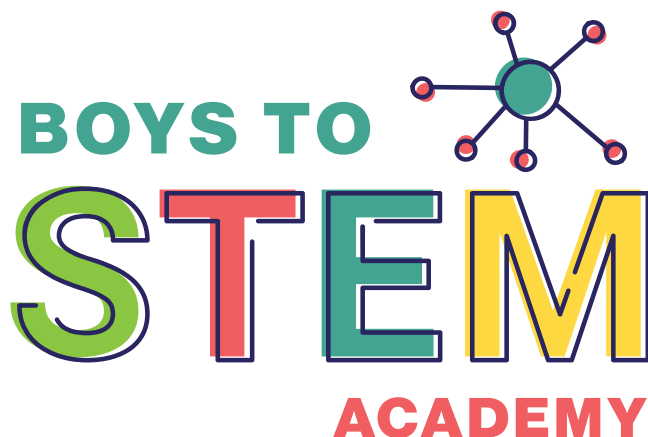

Calling all young men interested in energy and sustainability!

Embark on a free electrifying week of energy, climate change, and leadership at the Exelon Foundation Boys to STEM Academy. Unleash your curiosity through hands-on projects, a weeklong energy challenge, and immersive experiences that blend STEM with essential leadership skills. Explore sustainable energy solutions and become part of a community shaping the future. Don't miss out on this opportunity to explore, learn, and lead towards a sustainable future!

The Exelon Foundation Boys to STEM Academy is a free week-long, residential leadership program for young men at the **Saint Joseph's University**.

Who should apply?
Current 10th and 11th grade boys

Exelon Foundation.

In Partnership with The NEED Project
