Deep Dive into Covering the Gap

It's crunch time. The semester bill received from the school has a tight deadline. The format of the bill looks different from the aid offer received a while back. Are there any costs I need to plan for that are not showing on the bill? What happened to the Federal work study award? Will I need to borrow? If so, how much? What loan programs are available? Join Suzanne Sparrow and Dan Wray of the Pennsylvania Higher Education Assistance Agency (PHEAA) for a one-hour webinar where these questions and many others will be answered. Let's take a deep dive into Covering the Gap.

Financial Aid Timeline—know what to do when

Follow Suzanne Sparrow and Dan Wray of Pennsylvania Higher Education Assistance Agency (PHEAA) as they guide you along the exciting (and sometimes bumpy) road to an affordable higher education. The journey will begin before high school and end in the land of education loan repayment – or maybe even education loan forgiveness. One thing is for certain: it's never too early to start preparing for a successful higher education experience. This 1-hour presentation will provide the starting points and web resources- for effective research before, during and after your student makes postsecondary decisions. Know what to expect and to plan for it is the key. Failing to plan, is planning to fail!
